REPLY TO OFFICE ACTION

This is a reply to a non-final Office Action mailed December 5, 2001. A reply was due March 5, 2002. A one-month extension of time is hereby requested, making the reply due April 5, 2002. The Office Action Summary only indicates that claims 1-22 and 24-52 are pending and does not mention the remaining claims. Claims 23 and 53-85 remain pending, but are drawn to groups of claims that were not elected in reply to the restriction requirement. Applicants ask that the next action correct the status of claims 23 and 53-85. Reconsideration and withdrawal of the pending rejections of claims 1-22 and 24-52 is respectfully requested. A Letter to the Official Draftsperson submitting formal drawings of Figures 12 and 26 also accompanies this reply.

In the specification:

Please add the following paragraph prior to line 4 on page 1:

PRIORITY CLAIM

AI
This application was filed as a 35 U.S.C. § 371 application of PCT International Application No. US99/04000 filed February 24, 1999, which designated the United States and was published in English under PCT Article 21(2), and which in turn claims benefit of U.S.
